

City of Homer
Candidacy Statement

I am seeking election to the Homer City Council because Homer is a wonderful place to live, and I want to help maintain it with commonsense leadership. Homer is a place where people create businesses, raise families, and attend college. It's a place where people hunt, fish, and hike. I want to maintain our small town charm and restore fiscal responsibility. My priorities are to protect our rights in Homer and to keep spending minimized to what is truly needed, not just wanted. For example, our beaches do not need to be restricted. Fines and gates will not stop those who are being irresponsible. Our town needs someone willing to stand up and say enough is enough on buildings that are too grand for our budget. Having made and learned from mistakes personally, I know how costly mismanagement can be. It took our family hard work and dedication to recover, but the lesson was learned. I want to help make Homer responsible again. Make a wise decision and vote for Joni Wise on October 6th.
